

**HW4-Team: The ONE Idea****Team Number: 2****Instructions****General Info about Teams:**

- First assignment is the "Project Tournament": to review all individual ideas submitted by members, rank them to select Top Three (for each person) and vote for Top One.
- As teams formed on Canvas, the Team Lead is a person with last name is first alphabetically. Team are welcome to select a different Team Lead at the first meeting.
- Only one submission on Canvas is required per team for team assignments (any member can do it).
- Team Lead is responsible for organizing this process: collecting all individual project ideas, sharing it with the team and facilitating ranking and voting process. You may use Slack, google doc, etc.
- It is OK to pick your own idea as favorite but be fair!
- NOTE: If you "3 Ideas" are not part of selection process, you receive no points for this assignment.
